

MINI PVC LACROSSE GOAL

MLG

Features:

- Simple design for easy assembly
- Breaks down for convenient storage
- Sturdy PP plastic with 1.5" OD pipe
- Weighted base for added stability
- Durable poly/cotton lacrosse net
- 3' x 3'
- Black/White

Parts:

- Three pipes ❶
- Two weighted pipes ❷
- Four 90° angle elbows ❸
- One 45° angle elbow pipe ❹
- One 2mm knotless net

Instructions:

The Champion Sports Mini Lacrosse Goal is designed for younger players to practice their skills and learn to play the game anywhere.

1. Thread the top of the net to pipe ❶. Attach two 90° angle elbows ❸ to each end of pipe ❶.
2. Thread the sides of the net to two more ❶ pipes vertically and connect to the same elbows.
3. Connect the two 90° angle elbows ❸ to the bottom of the two vertical ❶ pipes and connect pipe ❹ to those. Thread the bottom of the net to the ❷ pipes.
4. Connect the final 45° angle elbow ❹ so it attaches to both ❷ pipes and forms the base.
